

# 2019 SC Chapter Challenge

## Your Chapter Shield

### The 2019 District Convention theme is “Wingin’ with Heroes & Villains”

Heroes and Villains have Shield, so each chapter should also have a shield! Again, the shield should reflect what your chapter is about & the fun you are having.

- The shield can be any shape, but the size can be no bigger than 24 in. x 24 in. (All shields will be judged, but major deductions will be taken if it exceeds size requirement)
- The Chapter, District, GWRRA designation and motto must be incorporated in the design.
- All entries will display on a table top, so they must be able to stand on their own or you must supply a stand.
- All entries must be turned in by a fully registered member of your chapter no later than 9:00 a.m. Friday morning, no exceptions. All entries must remain on display until 1:00 p.m. on Saturday.
- The shield will be the only thing judged. Accessories and display enhancements will not be part of the judging.
