#### Chapter H Meeting

Pier 51  
3921 Mount Gallant Road  
Rock Hill, S.C. @ 4:00 1<sup>st</sup>  
Sat. of each month

I'm watching Hurricane Michael coming ashore on the Florida coast. Hopefully, the wind and rain spare the area's already devastated by Hurricane Florence just a few weeks ago. August was a wet month and really affected our riding, The monthly ride had to be cancelled. The ride to Wings over the Smokies had a lower turnout than expected. We did have 9 members attend the NC Rally. Bob, Martha, Bill, Joy, Jay, Jan, Eric, Wanda and myself, all camped at Stonebridge campground. We did get rained on Thursday night but stayed dry for the rest of the weekend. Eric rode back with us while the others remained camping for a few more days. The Chapter ride is coming up on Oct 20<sup>th</sup>. Bill has another great day of riding and eating planned. The District campout/picnic will be October 26 at Santee State Park. If you plan on going, the district will be in the Cypress View section of the park. Wanda and I will be in campsite #7. It will be a lot of fun with plenty of activities planned if you camp, We hope you will come down for the day, drive a motorcycle or car. We hope to see a good Chapter H turnout. I also wanted to mention that we had 2 families at our last meeting that are very interested in joining Chapter H. We wanted to thank everyone for making them feel welcome and inviting them to come back.

Hello Chapter H,

Another wonderful meeting into the books. The weather outside might be getting frightful, but the riding weather is still delightful....ok, albeit a couple of days for the hurricanes. As many of you know, I no longer work for Lisk, the tanker outfit. I will be the proud owner of a 10 wheeled Goldwing. (A 2016 Kenworth.) I am trying the owner operator route. I will be leasing my truck to companies who need loads hauled. Hopefully, it will be a good business. This should allow me a bit more time with the group. I will be going from Charlotte to Brownsville, TX. Going to the state Bob knows best. Although, waiting to pick this truck up has allowed me to make a scratch into my honey do list. It is only 10 years old, but hey, gotta start somewhere.

Congratulations to Joy for her fast recovery and to Frank who was able to make our last meeting. Brenda is doing so much better, hope to see her start back to our meetings. Glad to see our members getting back up to speed, by next spring, I hope to see everyone riding again.

As I got back from Chicago on the bike, I was able to catch the last 2 hours of Wings over Smokies. Thank you Bob and Martha for allowing me to crash for the night inside their camper (Priceline did a number on me). 800 miles in one day from Chicago made for some sore muscles and tired bones! Maggie Valley made a good pit stop!

Well, gotta run. Doing more of my honey do list and that is getting stuff out of my garage. Well, at least I get to ride the bike towards Fayetteville, NC hauling some stuff off.

Hello Everyone,

I sure hope everyone is enjoying the cooler weather. As I mentioned last month we had a Wedding to attend on Saturday and could not make it to the meeting. We sure did miss everyone.

I hope everyone is doing well. I am still recovering but doing very well. I will start Rehab therapy in about 3 more weeks.

I understand a decision was made about the T Shirts. I hope everyone is happy with them. If you prefer a polo shirt (golf shirt), you can probably order that style. Talk to Wanda or Brian.

Remember our Christmas Party is coming up December 1<sup>st</sup>.

The District Picnic and campout will be Oct. 26<sup>th</sup>-27<sup>th</sup> at Santee State Park.

Take care and remember to pray for one another.

*That's all folks!!!!!!! Joy*
