Safety Page

Fall Pitfall

Fall riding, finally cooled off and weather is more comfortable. The cool clear days can have a dangerous side also. This time of year the sun makes a trip to the southern hemisphere and morning and evening sun can blind you. Since the sun is lower in the sky it tends to blind drivers at about the busy times of day when commuters are coming and going to work.

Weather driving a 4 wheel, 3 wheel or 2 wheel be aware of the fact that you may be blinded at any time when traveling toward the sun. Since my work commute luckily goes away from the sun I have a few observations.

Be aware that you may be blinded at any time. Have sun shades ready to use. Hold up a hand to block the sun's rays. Be ready if traffic stops, brake lights are hard to see when blind. If on a motorcycle be aware of traffic behind being blind and not being able to see a stopped motorcycle. With today's distracted drivers it is especially dangerous when one gets blinded suddenly and makes a wrong move.

Winter driving requires us to be on guard for many dangers. Motor along knowing that conditions can change quickly.

Ride Safe,

Richard Kitko

SC District Educator

Chapter Director Notes

Director's Notes

11/17/2018

We had 22 members and guests in attendance with some on bikes and others in 4 wheelers. The food was good as usual. The weather was just right for riding. There was no rain for a change. Larry brought us up to date on the preliminary plans/details for the Chapter O ride to Savannah, GA June 18th thru 21st, 2019. We will have more details at our next meeting in Dec. Please look at your calendar and make plans to ride with us in June. 2019.

Please note that we have a new starting time for our annual Christmas party: We are changing our party starting time to 1:00 PM on Dec 1, 2018. Our party will be at Friendship United Methodist Church located at 339 Highway 742 just north of Chesterfield. This is the same location we have used for several years. The meal will be provided by the Chapter and deserts provided by anyone wishing to bring some sweets. If anyone needs directions to the church, please contact Johnny 3 at the number listed below. Another change for this year's party is in lieu of exchanging gifts, Chapter O will accept donations to help provide Christmas presents to children of military families that have been displaced by Hurricane Michael and are living temporally at Shaw Air Force Base in Sumter. 100 % of your donations will go to the families and children in need. If you can't attend the party but would like to donate, please contact Johnny 3 at 843-623-6298.

Please ride safe and watch out for the deer and other animals crossing your travel path. It is that time of year for increased deer travel and the dogs which chase them.

I hope everyone has a Joyful and Happy Thanksgiving with friends and family!! Please remember those who are less fortunate.

We hope to see everyone at the Christmas Party on Dec 1st.

Please check your GWRRA membership expiration date so you do not miss out on any benefits.

If you have any concerns or questions, please let me know - 843-623-6298.
